Dear Occupier

RE: AREA ADJACENT TO YOUR GARAGES ABUTTING VALLEY VIEW AMENITY AREA

Bothenhampton & Walditch Parish Council is cutting back vegetation encroaching your communal driveway. We would like to preserve the wild area as a natural site where plants and fauna can live and prosper.

We are asking for your help to keep this area clear. Would you please ensure that grass cuttings and branches from trees in the area are either composted at home or taken to the Household Recycling Centre in Bridport.

We would be most grateful for your help in supporting our environment.

Yours sincerely,

Cllr J Basker  
Chairman - Bothenhampton & Walditch Parish Council
