Dear Simon

RE: PERMISSIVE FOOTPATH THROUGH GROUNDS OF THE HYDE

Thank you for your note of 5th January. All councillors are in favour of progressing this however time is running out and we will be abolished at the end of March. It is possibly too short notice for the Parish Council to start the ball rolling on this and it may be better for this to be passed over to Bridport Town Council in order that the Ward Committee can get behind the idea and progress it forwards.

We are preparing a list of legacy issues to hand over to Bridport Town Council upon our abolition and will include this issue.

With best regards,

Jim Basker
Chairman
Bothenhampton & Walditch Parish Council
