3	<p>Any Other Business</p> <p>Cllr JB referred to 20mph zones being set up in Dorset (mentioned in the Bridport News). Cllr CA suggested that now the Walditch speed limit had been reduced to 30mph, the Parish Council could legitimately ask for it to be reduced to 20mph.</p> <p>Cllr JB said that a traffic survey would need to be completed before any further reduction could be considered. Cllr CA said he would look again at the rules and criteria.</p> <p>There was some discussion about the speeds on other roads such as Crock Lane and Main Street, Bothenhampton.</p> <p>Cllr JB mentioned a 20mph pressure group – Cllr GS to send details to Clerk who was asked to enrol the parish council.</p> <p>Axe Valley and West Dorset Ring and Ride – the Clerk confirmed that she had contacted them regarding their bank details but had not heard anything from them so could not transfer the grant to them.</p> <p>There was discussion about the usage made by the residents of Walditch and Bothenhampton. Cllr JB said we should investigate the usage (to Dorchester hospital and/or rail station). The cost is usually £5. Cllr MW to follow up and ask for further detail on usage including their bank details.</p> <p>Cllr MW acknowledged the email Cllr GS had sent out detailing his discussion with a Bothenhampton resident – David Pencheon regarding e-cars. Cllr GS suggested that Mr Pencheon speak to the parish council at a forthcoming parish council meeting. All councillors agreed this was a good idea and Cllr GS would arrange this with the resident and inform the Clerk.</p> <p>Cllr JB informed the sub-group that Crock Lane is being resurfaced on the 5th/6th and 7th May.</p> <p>The Clerk referred to the weatherproof adhesive stickers and asked for authority to pay the invoice from Axminster Printers.
