

Bothenhampton & Walditch

Parish Council since 1886

Mr B Hampson
Highways England

21st December 2021

Via Email

Dear Mr Hampson

We note that Bridport Town Council has forwarded you an email they received from Mrs P Maynard. Mrs Maynard resides in Bothenhampton and the Parish Council are dealing with her complaint.

Mrs Maynard has complained about the cyclists on the Crown roundabout (that they do not dismount when crossing the footpath), the disappearance of the 'Cyclists Dismount' notice (which Mrs Maynard says was too small), and the narrowness of the footpath, which means cyclists and pedestrians are forced to dodge one another when using the footpath.

We agree that that the footpath is too narrow, the 'Cyclists Dismount' notice has disappeared and it was too small.

We are writing to request that you consider the complaint from our resident and install a larger 'Cyclists Dismount' notice within the vicinity of the footpath.

We would also be grateful if you could consider how the footpath could be widened and divided into a pedestrian walkway on one side and a cycling route on the other.

Please let us know when the new notice is to be erected so that we can let our resident know.

Yours sincerely,

A J Basker
Chairman - Bothenhampton & Walditch Parish Council
