12th January 2022

Dear Claire

RE: BLAP PARISH COUNCIL CONTRIBUTION

We are in receipt of your email dated 4th January attaching a BLAP protocol. We note that the BLAP protocol is being revised and request that the revision explains the governance arrangements surrounding the administrative processes and includes a payment structure and transparent long-term financing arrangements, so those contributing to funding in the future can have a clear idea of likely commitments.

Yours sincerely,

A J Basker
Chairman
Bothenhampton & Walditch Parish Council
