All Councillors & BTC Staff  
Bridport Town Council

Dear Bridport Town Council

**RE: RINGFENCED MONIES OF APPROXIMATELY £30,800.00 HELD BY B&W PC**

Upon abolition the Parish Council's monies and reserves will be transferred to the bank account of your choice, I understand the Clerk has already been in touch with Paul Fuszard to confirm this. These moneys have been carefully saved by the Parish Council and held, ringfenced, in its deposit account to be used solely for the upkeep of Jellyfields and Bothenhampton Nature Reserves, and for the maintenance of our three play areas, and purchase of new play equipment.

We are keen to ensure that this money will continue to be kept ringfenced for these particular projects in future years and would be pleased if you could write formally to us with your assurances that this will be the case.

With best regards,

Councillors  
Bothenhampton & Walditch Parish Council
