Dear Mrs Irvine

RE: HOMESTEAD FARM

Thank you for your extensive letter of 31<sup>st</sup> January 2020.

I am writing to Mr Hughes to ask for the lights to be switched off at night. I will also ask him to expedite the reduction in size of the gap in the hedge on Duck Street to the width specified in the plan, rebuilding the earth dike and planting hedge plants.

You have emphasised yet again the distress and inconvenience of the building work that so many people have experienced during the course of this sorry episode. The Parish Council feels for you all, but our powers in this matter are very limited. All we can do is continue to press our Dorset Councillors to keep an eye on the progress of the application for retrospective planning permission and ensure it is properly scrutinised at last.

Yours sincerely,

A J Basker
