Dear Mr Burden

**RE: Planning Appeal: A/WD/D/19/003186- Homestead Farm, Main Street,
Bothenhampton, Bridport DT6 4BJ**

We refer to a planning appeal sent to us on 13th April 2021 relating to the above development.

We are perplexed to say the least as the Planning Inspectorate site continues to refer the development to a 4-bed low carbon house. We are unaware of any documentation that changes this / adds to this by way of 'reception, office, storage and partners/caretakers accommodation'. This appears to us to be for an entirely different use to the original 4-bed low carbon house and suggests the intent is for some form of business being operated from this dwelling.

As you know, the development is very controversial, and we have provided our written objections in previous letters.

We would welcome some clarification as to what the extra accommodation means.

Yours sincerely
