Dear Mr Riley

I understand from my colleague Cllr Gill Smith that you would be prepared to give us guidance on occasion on the niceties of planning law.

We would like to take you up on your offer on the understanding that this would be informal.

We understand, from our experience, that the most important aspect of planning matters is whether there is a significant legal issue or not.

We are very pleased that you feel able to help the Parish Council. Volunteers working with the parish council can make it a much more effective democratic institution than it otherwise would be.

Can you please provide us with your email address and telephone number, as we operate electronically wherever possible.

With best wishes

Yours sincerely,

Chairman
Bothenhampton & Walditch Parish Council
