Dear Edward

We were sad to hear that you have decided to resign from the Parish Council.

Your contribution has been much greater than you realise, I think, in the circumstances. However, we recognise that you need to focus on your current duties fulltime, and that it is the best decision from your point of view.

It would help us if you could let Tan know the upshot from your meeting about the trees on 28 October, and if you could return your copy of the *Bridport Area Neighbourhood Plan*, which had an unfortunately short print run and consequently is now rare.

Thank you for giving us a glimpse into the activities of the Vintners, and we wish you good fortune in your role as Master.

With best wishes,

Yours sincerely,

A J Basker
